

# Placer Valley Merchandise - Get Yours Today!

The PVPOA Placer Valley logo has been embroidered on long-sleeve t-shirts, short-sleeve collared golf shirts, sweatshirts and now fleece beanies. The t-shirts and golf shirts are 100% preshrunk cotton and are true to size (based on mens' sizes - so ladies' small and medium are available). The long-sleeve t-shirts come in either purple or ash gray, the golf shirts are a dark charcoal gray, and the sweatshirts (50/50 cotton/poly blend) are available in ash gray or purple. The fleece beanies are 1-size-fits-all and are available in oatmeal, gray, black or purple. We currently have some of the t-shirts and the golf shirts in stock in limited sizes, but can have some more made based on new orders. Please fill the order blank below or call Walt Loder with your order (contact info below). Please be aware that your order may take up to six weeks and that sales are final.
